FUN-TASTIC DIMENSION SHEET

Overall envelope

- X: 212.0 mm
- Y: 156.0 mm
- Z: 8.8 mm
- Declared min wall: 1.6 mm

Verify critical functional dimensions against CAD and physical prototype.

DFAM

Automated checks are geometry and slicer heuristics. Fillets, stress concentrations, load paths, and final layer orientation require engineering approval.

- Downward-facing area exists while support is disabled; inspect bridges.
